Interiors designed by the lauded Catalan architect, Lázaro Rosa Violán, who has also worked on Boca Grande and Big Fish in Barcelona, plus London's Iberica restaurants. Nosh and Chow's interiors feature a miscellany of pieces from around the world, in line with Lázaro's reputation as an "urban archaeologist", including maps found in a market in Tokyo, lamps from a Polish hockey-rink, glass shades produced by Mallorca's oldest glass factory and original tiles made for Barcelona's La Sagrada Familia.
